PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora

STRIKE – SCHOOL CLOSED WEDNESDAY AUGUST 15

The letter below was sent to all parents by email on Tuesday morning:

The Board of Trustees can't provide teaching for students during the upcoming strike

The NZEI (New Zealand Education Institute) has advised the Board of Trustees that the principal and teachers at our school will be taking strike action on WEDNESDAY AUGUST 15 for the full day.

The Board has carefully considered the availability of teaching staff, and unfortunately decided that we can't provide the normal teaching services during the strike. It is important that you make alternative arrangements for the care of your child/children on the day of the strike.

The school will need to close during this strike. I know this is inconvenient for parents and students, but please be assured that student safety is our main concern.

Thank you for your understanding. Please contact Peter Mulcahy peterm@brownsbay.school.nz if you have any queries regarding this situation.

*Yours sincerely
Aaron Cooper (Chair Board of Trustees)*

If you are interested in researching the background of the strike then information can be found on the [NZEI website](#).

Please see the advertisement from SKIDS regarding a possible option for parents on the Strike Day.

KAHUI AKO

Last week we had a group of Year 5 and 6 students take part for the first time in a MidBays Kahui Ako Festival at Rangitoto College. This new event was developed under the umbrella of the Mid Bays Schools' Community of Learning (Kahui Ako). This community involves all state schools from Campbells Bay School to Browns Bay School including Murrays Bay Intermediate and Rangitoto College. This cluster has been working together since 2016 with a joint

Achievement Plan. This Achievement Plan is currently being reviewed and updated and we hope to share it with our communities soon.

We are now sharing information between the schools across a range of areas such as curriculum achievement. We are also exploring other ways to work together for the benefit of our students. The first ever festival referred to above, is an example of providing opportunities for our students to work with students from other schools through the Arts and a variety of year groups.

PRODUCTION 2018 – 1 SUMMER

2018 Production – ‘1 Summer’ is happening – we are three weeks in and all the drama and dance groups are humming along beautifully! Please watch out for a note about this year’s production fee and t-shirts that should be at your place by now and there will be one asking for parent help very soon. A reminder that our evening performance dates are 18, 19, 20 September and at this stage our technical rehearsal is planned to be on Sunday 16 September. Signs will be outside school in the next

few days - Karen Warren.

KAHUI AKO FESTIVAL 2018

80 of our Year 5 & 6 students volunteered last term to learn music and dance items for the Kahui Ako festival at Rangitoto College last week. Our local schools including MBIS and Rangitoto College participated and gave our kids the opportunity to work collaboratively with other teachers and mentor students in the process. Singers had to learn two songs, our ukulele players had to learn two songs which really challenged them and our dancers had to learn a complicated dance routine. Every performer worked hard to master what was required of them and showed our BBS values in the way they contributed their skills and personal qualities to make their groups a huge success. Thanks to all our supportive families for encouraging our performers and making sure they got home again! – Karen Warren

MATHS WEEK

Next week is NZ’s Maths Week from Monday 13th August to Friday 17th August. Our school will be participating in many activities during this week, from participating in activities on the NZ Mathsweek website, to trying to solve daily estimation problems on our Today Notices, to competing in a Matific competition on line for some year groups and also having lots of fun with Maths Trails and Maths fitness.

We would love to see families becoming involved as well, so why not go online to the maths site with your children or come up with your own daily estimation problems, add up the total sums on number plates of cars as you come to or from school, or even just play a board game.

You may like to try these estimations - How many steps does it take to walk around your house? How many different shapes can you find in your home?

This is a great opportunity for families to discover how much maths we all do every day. Enjoy!

BBS CROSS-COUNTRY Years 4-6

It's that time of year again.....

Tomorrow will be the first senior cross-country practice for Year 4, 5 and 6 students. The senior school cross-country will take place on Wednesday 29th August (weather dependent) save days Thursday 30th and Friday 31st August.

The senior cross-country involves Year 4 to 6 children who wish to participate. Although the cross country is not compulsory we encourage the children to have a go and do their best. Children not participating will be involved in other fitness activities during the same time as the practices.

The course is run out of the school grounds like previous years. There are teachers/supervisors stationed all along the route with particular safety awareness at road crossings. Children are reminded about safety eg. To be aware of driveways, roads, staying on the paths, respecting other pedestrians and properties.

The Cluster Cross-Country team will be determined from the results of the School cross-country race on Wednesday 23rd August. Practice results may also be used if necessary or required. The school cluster event is to be held on Tuesday 11th September, save day Wednesday 12th September, venue yet TBC.

Any extra practice you would like to do with your child would be appreciated.

100 DAYS OF SCHOOL

On Friday 03 August the students from Rooms 4, 5, 6 and 7 celebrated their 100th day at school this year!

This is something they have been counting up to daily (with math activities and learning happening around each number as they went).

To celebrate this milestone and the learning that has occurred, the students and teachers dressed up as though they were 100 years old! They also had a shared lunch party and their activities for the day were all about the number 100.

YEAR 3 WRITING

MILLY, JILLY AND THE BEAR

There once was two sisters, Milly and Jilly. Milly was clever. But Jilly was silly.

They lived with their grandmother right at the edge of a deep, dark forest. One day silly Jilly went into the forest by herself. A big brown bear grabbed Jilly up and took her to his house. He danced around the room and sang a song. And this is what he sang:

“Oh look! Look! Look! I’ve found a cook. She can make my bed. She can bake my bread and she can clean my house like a mouse and she will never get away!”

TE AO MAORI DAY

On Friday 03 August the second Te Ao Maori Day was held at the school. This day was a collaboration between the school and the Maori Whanau community to support Maori students in their cultural knowledge.

SCHOOL NOTICES

JUNIOR PLAYGROUND

The new Junior playground is very busy before and after school. We would appreciate parents keeping an eye on their children, especially the pre-schoolers, as no teacher is on duty in that area at those times.

SUMMER 1 PRODUCTION

Year 4, 5 and 6 children in the production need to pay their Production Fee by Wednesday 15 August (see note that came home this week). Kindo is our preferred method of payment. Please remember to note your child's name and room number when making payment.

This fee includes a production T-Shirt. If you wish to try T-shirts for size the time and dates below are when T-Shirts are available to try on in Room 13.

Wed 8 Aug 8.00-8.30, 3.00-3.30

Thurs 9 Aug 12.30-1.00

Fri 10 Aug 8.00-8.30, 3.00-3.30

Mon 13 Aug 8.00-8.30, 12.30-1.00, 3.00-3.30

Year 3 children will wear the production T-Shirt as the main part of their costume for their part in the production (see note that came home this week). These need to be ordered and paid for by Wednesday 15 August. Kindo is our preferred method of payment. Please remember to note your child's name and room number when making payment.

See dates above if you would like to try on T-shirts for size. (Room 13)

TOUCH RUGBY

If your child is interested in playing Touch Rugby in Term 4, please get a form from Room 1 and return it to the sports box by **Friday 10th August**. Forms are also available to [download](#) here.

VISITING THE SCHOOL

To ensure the safety of all our students it is very important that we know who is on the school site at all times. Of course, immediately before and after school we have many parents and caregivers visiting the school and this is expected. We also have occasions when parents/caregivers are invited to attend an event, such as cross country. However, outside of these 'drop off' and 'pick up' times and 'special occasion' times it is very important that all parents/caregivers who come to the school 'sign in' at the office before going anywhere else on the school site.

The signing in involves wearing a visitor sticker. This then helps the teachers to ascertain the visitor has recorded their presence at the office.

The wearing of the sticker does not apply to parents/caregivers who are helping in the class alongside the teacher, who are recorded by the class teacher and wear a lanyard. As a school we welcome parent/caregiver involvement and this, clearly, means we will have numerous visitors to the school at any given time. With your help we will always know who is on the school site. This is also useful should an emergency evacuation be needed as we must know how many people need to be accounted for. Thank you for your understanding and co-operation

LOST PROPERTY

At this time of the year, due to the change in weather, we have a 'mountain' of lost property in the Junior corridor, particularly polar fleeces.

Please could you check your child's bag and follow up any items that are missing.

We have many items that are not named with current BBS children and these things have likely been purchased second hand.

We will put the lost property out in Room 4's bay on Friday, if the weather is fine.

Thank you

Trash or Treasure
Walk for the Environment Day

GOAL: For all children to come to school by sustainable transport so that no cars drop children off at our school gate

When: Friday 24 August 2018

Dress: Trash or Treasure... come dressed up as some environmental trash or treasure or Ideas for recycling. E.g. a flower, plant or tree or a rubbish bag, newspaper or reusable bag!

How: Walk to school or use sustainable transport such as walk, bike, scooter or park 'n walk to come to school.

What's it about? On your way to school find a piece of trash (rubbish) and a piece of treasure (Fallen leaves, flowers, sticks, bark, things that are good for our environment).

Get involved: bring a gold coin donation to go towards our Travelwise projects.

Aim: We will have two marked areas to fill with our trash and treasure... let's see if we can clean up our environment and save it by using sustainable transport!!!

FOTS – Friends of the School

!! FOTS MEETING TONIGHT !!

THURSDAY 9 AUGUST, 7.15PM IN THE STAFF ROOM

Come along to our meeting tonight and find out what's going on around school during the second half of the year. If you can't make it to our meetings, but want to get in touch or help out, please drop us an email: fots@my.brownsbay.school.nz

FUNDING AVAILABLE FOR SCHOOL PROJECTS

FOTS are now inviting applications from within the school community for the FOTS Discretionary Fund. We have funds available for small school projects that need support in Terms 3-4. Last term, we approved 7 great projects, including the junior engineer kits and sand/water play tables. As you can see, these are already being enjoyed by our Year 1 and 2 students.

If you are a staff member, coach, or helper and require financial assistance for students or their activities, please click here to download an application form:

https://www.brownsbay.school.nz/application/files/3215/3352/5563/DF_Form_2018_Term_3.pdf

This will be our final funding round of 2018, so don't miss out! Applications must be submitted to the school office by 3pm on Friday 7 September.

For further information, please contact Jacky Carr: jackyc@brownsbay.school.nz or the FOTS Discretionary Fund Sub-Committee: fots@my.brownsbay.school.nz
