As Term 3 comes to an end I would like to acknowledge the hard work of students and teachers over this term. Term 3 can be a challenging term with the wet weather, short days and closed fields. I hope you get the chance to enjoy some time with your family over the Holiday Break and thank you for your support throughout the term.

| Year 2: | Human Biology What makes our brain the control centre for our bodies? |
| Year 3: | Identity and Resilience How can we deal with change? How do we adapt to suit certain situations? |
| Year 4: | Relationships with other people. How can our feelings influence the way we act? |
| Year 5: | Personal Health & Physical Development What's inside our body? What makes our bodies work? |
| Year 6: | Identity and Resilience Why my reputation and identity are important? What can we do when we have a problem? |

BUILDING WORK

In March this year the Board of Trustees approved the expenditure of Accelerated Modernisation Funds (\$200,000) and the School Investment Package (\$400,000) on projects around the school. These two funds are Ministry of Education budgets that must be spent on property projects around the school.

The Accelerated Modernisation Fund can only be spent on modernising the school buildings. This money will be used to fund the development of decks, canopies and new joinery outside Rooms 1 to 7. These classrooms have been identified as small rooms and this project will allow the students an outdoor learning area. This work is expected to begin in the middle of Term 4 and be completed by the beginning of 2021.

The School Investment Package is for any other property projects, and was announced by the Prime Minister last year. The Projects identified by the Board of Trustees are:

- Heat Pumps in Rooms 1 to 12
- External bag bays outside Rooms 8 to 11
- Shade cover over Middle school playground
- Shade cover over Senior school playground

The Heat Pumps are now installed to the delight of students and teachers. This will allow cooler teaching spaces in these classrooms over summer.

The external Bag Bays outside Rooms 8 to 11 are being made now and will be installed next term.

The Shade sails over the Middle and Senior playgrounds are also ready to be installed and we are planning to complete these during the Holiday Break.

MIDDLE PLAYGROUND SHADE (OUTSIDE ROOMS 26-28)

YEAR 2 ASSEMBLY IN ACTION

The Year 2 students have been disappointed to miss out on two full-school assembly hosting roles due to lockdown. They really wanted to share their item and it's a very important message for our Browns Bay School Community. They filmed this in their team assembly last week.

ANIMAL POSTER ART ROOM 23

The Year 5 students in Room 23 proudly created their animal posters as part of their Topic, Let's Play! Enrichment Fun. The students did a great job comparing the animal's natural habitat, behaviour and diet with what they saw in the zoo, during their school trip. Soon they will be creating an enrichment toy for their chosen animal based on their observations and research.

MAORI LANGUAGE WEEK

Te Wiki o Te Reo Māori

Māori Language week is September 14th to 20th and commemorates the presentation of the 1972 Māori language petition to parliament. Māori Language week has been celebrated each year from 1975. Mahuru Māori is an initiative begun in 2017 to promote the use of Te Reo Māori throughout the month of September.

Kia Kaha Te Reo Māori

The chosen theme for 2020 is again 'Kia Kaha Te Reo Māori'. 'Kia Kaha' is well understood in New Zealand English with its meaning of 'be strong'. We often talk about languages as if they are people – talking about language health, strength and revitalisation, so when we say 'Kia Kaha Te Reo Māori', we're saying - 'let's make the Māori language strong'. Strength for an endangered language comes from its status, people being aware of how to support revitalisation, people acquiring and using it and from the language having the right words and terms to be used well for any purpose. Te Reo Maori is a taonga of Māori, guaranteed under the Treaty of Waitangi. The Māori Language Act 2016 also makes clear it is for every New Zealander and a valued part of our national identity. What can I do? Everyone can contribute to Te Reo Māori revitalisation; make Te Reo welcome at work and in the community; encourage others to use and learn Te Reo Māori; welcome Māori language into your life. Pronounce Māori words correctly when speaking English. Learn a little, use a little. Learn more, and use what you know. Keep improving your language, and share what you know. Check out these [ideas](#).

CHINESE LANGUAGE WEEK

In recognition of Chinese Language Week (20 – 26 September), here are some phrases from the New Zealand Chinese Language Week [website](#):

| | | | |
|----|----------|---------------------------------------|-----------|
| 你好 | Nǐ hǎo | pronounced "nee how" means | hello |
| 谢谢 | Xièxiè | pronounced "shieh shieh" means | thank you |
| 再见 | Zàijiàn | pronounced "dzai jee-en" means | goodbye |
| 欢迎 | Huānying | pronounced "hoo-ahn ying" means | welcome |
| 请 | Qǐng | pronounced "ch'ing" means | please |

PHOTOLIFE

We are in the process of finalising the proofs of the sports team photographs. We are hoping to have the photo shoot keys for all photographs taken, to students by the end of next week.

NEW ZEALAND SHAKE OUT

New Zealand Shake Out, our National Earthquake drill, is taking place on Thursday 15 October 2020 at 9:30am. The school will be taking part in the New Zealand Shake Out. At that time, we will ask everyone to Drop, Cover and Hold for up to one minute. Some areas will practise a tsunami hīkoi yet we will not do that this time.

The children will:

Do the Drop, Cover and Hold drill for 30-60 seconds:

- **DROP** down on your hands and knees. This protects you from falling but lets you move if you need to.
- **COVER** your head and neck (or your entire body if possible) under a sturdy table or desk (if it is within a few steps from you).
- **HOLD** on to your shelter (or your position to protect your head and neck) until the shaking stops. If the shaking shifts your shelter around, move with it.

Other ideas are:

If you are unable to drop, brace yourself in a chair or wheelchair (lock your wheels) and cover your head and neck with your hands and arms. If you are unable to get out of bed, cover your head and neck with a pillow.

Many people are injured while trying to move DURING the shaking. It is safer to Drop, Cover, and Hold until the shaking is over. More information on the New Zealand SHAKE OUT and being prepared for emergencies can be found at the [GET READY](#) website.

PLAY CHESS

Playing chess develops self-confidence, concentration and problem-solving skills. We are really pleased to start a Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to our children.

Why Chess?

* Improve concentration and focus* Develop important life skills – fair play and decision making* Tactical & Strategic thinking* Prepare for Chess Tournaments against other schools* Develop a love of chess, of learning and of thinking.

What happens in a Chess Power Coaching Programme?

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way. Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance. **Q** Where can I learn more? **A** Visit our website, www.chesspower.co.nz and click Parents Centre

CLASS DETAILS

This is a 9 weeks chess coaching program running on Thursdays from 15 October 2020 till 10 December 2020 from 3:10 - 4:10 pm. The fee will be \$125/student for the term. The sessions will be held in ESOL Room. If the program is successful a new full 10-week program will be made available for Term 1.
