PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora Koutou

Welcome back to Term 3. I hope you had a chance to do some family activities over the Term break – in amongst all the rain we had.

BROWNS BAY SCHOOL 2022 READ-A-THON

Browns Bay School Fundraiser in Term 3 is a [Read-a-thon](#). We are continuing to raise money for outdoor projects around the school. Our goal is to raise 10 to 12 thousand dollars from this fundraiser, which, after expenses, will all go to this project. We need to have every family on board to manage this and the reading that will occur can only benefit every participant.

GET READY TO READ! READ! READ! and RAISE MONEY FOR BBS

The Read-a-thon map and instructions will go out to students next week. I would like to wish everyone all the best in their reading challenge as they travel around New Zealand. There are lots of prizes available for students.

CELEBRATING THE 100th SCHOOL DAY TODAY

Year 2, Rooms 2, 3, 4 and 5 have celebrated their 100th day at school today! Every day the Year 2 students count how many days they have been at school and investigate the daily number by thinking about what the number before it is, after it is, and they create equations to make this number. They show it in tally marks, write it in words, show it in money, write it in Māori, and so much more!

With great excitement, they came to school dressed up like they are 100 years old and enjoyed a shared lunch.

NEW BUILDING

The planning around the opening of our new building has changed slightly:

The Blessing: The blessing of the building, led by Kaumatua John Retimana, will happen on Friday 12 August at 5am. Parents and The Community are invited to this event. If you would like to join us for this event, please RSVP to bbs@brownsbay.school.nz.

Moving Day: The furniture and materials from the existing classrooms will be transferred to the new building from 16 August to 18 August with the students moving in on Friday 19 August.

Rooms 16, 17, 30 and 31 will relocate between 22 August and 25 August.

Once all the classes are settled into their new areas, we will be inviting parents for an evening to view the new building and to share our teaching and learning process.

COVID-19 UPDATE

I would like to thank the community for supporting our school in the wearing of masks in Year 4 to 6. We have received a supply of children's masks, and these have been delivered to the classrooms.

Today I can report that from 25 July to 28 July we had 10 students who have tested positive over the week. We currently have 9 students who are self-isolating at home.

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
2	0	4	1	0	3

We also have 5 staff members on sick leave with Covid or self-isolating. I continue to notice students with flu like symptoms around school. Please keep any students home if they are unwell.

CHEERLEADING SUCCESS

Antonia from Rm 17 attended a Cheerleading Competition in Wellington recently and her Team won on her Elite Level! This was her first competition out of Auckland and ever since she got the **Browns Bay School Values Award**, she's been trying to be very respectful and help everyone on her team, she has been super responsible now with her practices and she encouraged her parents to take her to the Museum and some places of interest in Wellington so she could learn more. They are now getting ready for her first international competition representing New Zealand for the TEAM NZ next year that will be competing in Hawaii.

Her parents said, "thanks a lot! I believe Browns Bay School has been super important for her the last few years and none of this could have happened without all of you, so thank you".

TU MEKE TUMUAKI

Browns Bay School celebrated our Senior Leadership Team during Tu Meke Tumuaki week in Term 2. Our staff and classes showed their appreciation of our Principal by decorating balloons and presenting them to Mr Mulcahy.

SCHOOL NOTICES

EARLY ARRIVALS

We would like to remind families / whanau that children are expected at school after 8.30am. A number of children are at school before the due time of 8.30am, as early as 7.45am.

The school has the following arrangements for student supervision before school:

- Students may be on site before 8.30am for coaching or practice as long as a parent is present in the coaching role or manager
- 8.30 am teachers are in classrooms with students having access to storage and toilets
- Two teachers/adults are on duty at the crossings from 8.30am to 8.50am
- Teacher on duty at car drop off / pick up zone (this is usually DP or Principal) from 8.40am
- Junior teachers are not on duty in the morning so they can be in their room to ensure there is a transition from parents before school

SKiDs operate a Before School Programme for children who need to be dropped off early.

INTERMEDIATE SCHOOL ENROLMENTS 2023

We will shortly be underway with the Intermediate School Transition Programme for our Year 6 students.

Once the students have visited their nominated school, they will bring home further specific enrolment information. (N.B: enrolment information for Northcross has already been emailed to those parents who have indicated that their child may enrol for 2023).

The transition visits will be held on:

Monday 08 August Northcross Intermediate
Monday 15 August Murrays Bay Intermediate

Only those students intending to enrol at the school should attend the visit. Please fill in the Google form that has been emailed to you to let us know which visit you would like your child to attend.

Jo Hewitt, Deputy Principal.

NOTICE FROM KINDO

Changes for Users of Kindo

Kindo and ezlunch was built to support families so it is important to us to give you advance notice of a change that could affect how you use myKindo.

The logo for Kindo, featuring the word "kindo." in white lowercase letters on a blue rectangular background.

The Growth Collective Limited (known as Kindo, myKindo and ezlunch) has recently been classified as a Financial Service Provider. This means that there are additional responsibilities we must undertake, including compliance with the strict regulations imposed under the **Anti-Money Laundering and Countering Financing of Terrorism Act (AML)**.

We have negotiated exemptions, which are awaiting approval, however one issue was around the cash withdrawal of account balances. We expect to publish updated Account Holder Terms on or around **31 July 2022** to cover the new arrangements. In summary:

- If you have received a refund from your school or registered charity, e.g: in relation to a cancelled event, you can withdraw that value to your bank account using the myKindo facility at any time within 12 months of the refund.
- Otherwise, cash withdrawals will no longer be available, including when you are closing your account.
- Credit balances may be spent, or you have the option of donating to your school or a registered charity, without undergoing AML due diligence checks.
- When topping up your myKindo account, please take care to top up only the amount you will be able to use during the time you have a myKindo account.

There will be a transition period as we change the withdrawal facility to respect these new arrangements. You can expect access to the current withdrawal facility until the new Terms are published.

Thank you for your understanding as we take on these new responsibilities. If you need any assistance, please get in touch with hello@mykindo.co.nz.
