PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora Koutou

I hope you were able to spend some time together as a family on the first public holiday to celebrate Matariki last week.

The Teacher Only Day was a positive day for the staff. We started the day with Kataraina Simpkins who is a Kahui Ako Across School Leader and Kaitiaki Reo Māori / Te Manu Taki from Rangitoto College. They shared with us the information and planning for the Pipiwharauora: Festival of Matauranga (Kahui Ako Event), which will take place on Tuesday 13 September at Rangitoto College.

This was followed by John Retimana (Kaumatua), discussing local Māori history in preparation for the new History curriculum.

The day was completed with Edwin de Ronde a Positive Behaviour for Learning facilitator leading the staff in discussing the PB4L programme. Browns Bay School has embarked on the Positive Behaviour for Learning journey in conjunction with the Ministry of Education. The Positive Behaviour for Learning School-Wide framework (PB4L School-Wide) is designed to help schools build a culture where positive behaviour and learning is a way of life.

One of the main benefits to Browns Bay School is that the PB4L team, in collaboration with all the school's staff, tailor the framework to suit our environment and cultural needs. This is not an off the shelf product but rather a framework that we developed together to ensure that it not only meets our needs as a school community but is enduring.

The timetable for the election is:

Main Roll closes:	Wednesday 13 July
Call for Nominations:	No later than 15 July
Supplementary Roll closes:	Monday 01 August
Nominations close:	Wednesday 03 August

If there are more nominations than the five vacancies, then parents and caregivers will receive an invitation to vote either electronically or by post.

Nominations can be made online through an email link provided in the Call for Nominations. However, a hard copy nomination form can also be obtained from the school office.

If you wish to stand for the board, it is recommended that you provide a candidate statement and photograph.

The electoral roll will be held at the school and can be viewed during normal school hours.

Browns Bay School has always been very fortunate in having a strong board of parents who provide governance and support for the education of our students. This year we have some long-standing members resigning and there will be vacancies. If you are interested in having a discussion about the board's role contact either:

Stacey Strang	stacey.strang@auckland.ac.nz	Chair
Peter Mulcahy	peterm@brownsbay.school.nz	Principal

Alternatively parents may look at the school Trustees [Community Member Guide to the Role of School Boards](#) that provides information on what school boards are, the role of members, and how to become a board member.

On Thursday 21 July at 7pm NZSTA will also be hosting a Kōrari Question and Answers session. This will provide an opportunity for people to ask questions directly from our regional advisors. This is a free event, anyone with an interest in the work of school boards can register online [here](#).

There is also information available on the [School Trustees website](#).

PROPERTY UPDATE

We are planning to move our Year 5 and 6 students into the new building in about the third week of Term 3 to start Monday 15 August. The students in the Year 5 classes (Rooms 18 to 21) will move into Level 1 (ground floor) and the Year 6 classes (Rooms 24 to 27) will move into Level 2 (first floor). The students will have an opportunity to visit and explore the building before they actually move in.

Rooms 16, 17, 30 and 31 will also be moving classrooms as their "Portable" classrooms will be moved to other schools. The Room 16 and 17 children will move into the classrooms next to Room 14 and 15. The Room 30 and 31 children will move to the classrooms by the swimming pool.

There is a change in our planning for sharing the Build with parents and we will advise of this plan once the Build is complete.

A Blessing of the New Build by our Kaumatua, John Retimana, is planned for Friday 05 August at 5am. A notice will be going out about this event early next term.

COVID-19 UPDATE

Today I can report that from 25 June to 30 June we had 3 students who have tested positive over that week. We currently have 7 students who are self-isolating at home.

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6

I continue to notice students with flu like symptoms around school. Please keep any students home if they are unwell.

SCHOOL EVENTS

TRAVELWISE WACKY WEDNESDAY

Our Wacky Wednesday Travelwise event was a huge success, and it was so good to see children and staff getting fully involved. This time we were lucky enough to have a visit from Pukeko Pete who is our 'Walking to School' mascot. Our focus as always, was on sustainable transport and it was great to see so many families making a big effort to either walk, bike, scooter, or bus to school. Long may it continue! A big thank you must be said to our outgoing Travelwise team (Olive Brien, Sean Archvarin, Patcha Sheeran, Riley Stuart, Ava Marshall, Elaine Zhou, Zara Hong Michael and Yihan Lu). Their hard work, commitment and enthusiasm has been commendable. Next term, we will be welcoming a new group of Year 5 students into the team. Thank you once again for your continued support in making our school a GOLD Travelwise School.

LIBRARY UPDATE

Our Library has been open at lunchtimes for a few weeks now and our School Librarians are doing a fantastic job. We regularly refresh our Collection, ensuring that it reflects student interests and learning throughout the school. We have an ever-increasing Graphic Novel section, lots of Junior Chapter books, magazines, a large collection of picture books aimed at older readers alongside a comprehensive Non-Fiction section and sizable Fiction section. Something for everyone!

YEAR 6 NORTH HARBOUR NETBALL TOURNAMENT

What a great day both of our Year 6 Netball Teams had at the Year 6 Netball North Harbour Tournament last week. Both teams displayed outstanding sportsmanship and support for each other. A huge thank you to the coaches for helping prepare the teams and for all their support on the day. Thanks for all the parent support also.

Well done to Team 1 who were placed in the very competitive A Grade for the Tournament and remained competitive themselves throughout the day. Huge congratulations to our Team 2 who made it to the semi-finals for their grade and only went down by 1 goal - nail-biting stuff!

All the girls should be very proud of not only their netball efforts but also the impeccable way they conducted themselves throughout the day representing Browns Bay School - Kapai! Mrs Bibbie.

SUPER CLUSTER CROSS COUNTRY

Well done to all the children who competed at the Super Cluster Cross Country on 15 June.

Even with the rain coming and going throughout the morning everyone still managed to run their race with a can-do attitude and gave it their all.

With everyone's effort Browns Bay School managed to place 3rd out of the 8 schools in our cluster.

A very special congratulations to Amelia in Rm 32 who placed 3rd overall in the Year 4 girls division. What a great achievement!

SUPER CLUSTER FOOTBALL

On Tuesday, our Year 5 & 6 girls and boys Football Teams competed at the annual Super Cluster Football Tournament. Both teams had a great day playing a lot of football along with displaying some outstanding grit and determination.

A huge thanks must go to the amazing coaching staff for helping prepare and support our teams leading up to and on the day.

Congratulations to the girl's team who came 3rd overall, an outstanding effort!

MATARIKI BY ROOM 14

The Year 3 students have been learning about Matariki. Room 14 made sparkly stars and beautiful treeline art with the Matariki constellation. They read the book 'The Seven Kites of Matariki' as well as a book about how we can celebrate Matariki right here in Aotearoa!

Some things they have found out:

"If the stars are shining brightly that means it is going to be a good year." Ella

"It's Māori New Year." Andy

"It's time to have fun with our family and friends." Janco

"It is the first time we have had a public holiday." Stevie

MATARIKI ART BY ROOM 9

YEAR 3 ENVIRONMENTAL ARTWORK

Last week Year 3 spent the morning out on the school field creating fabulous environmental artwork with nature. The children brought in leaves, cones, seeds, twigs, and branches to create their works of art. The children also wrote some lovely poetry, reflecting on the experience. These photos show some of their creations.
