PRINCIPALS MESSAGE

Dear Parents and Caregivers
Kia Ora Tatou

This is the last newsletter for Term 2 and I would like to acknowledge the hard work of our parents, children and teachers over the past weeks. It has been an interesting and challenging term with the Lockdown and Distance Learning at the start; and we look forward to a more settled Term 3. I hope you have the opportunity to enjoy some family time over the break and we look forward to seeing everyone back at school on Monday 20th July.

PARENT – TEACHER CONFERENCES

The Mid – Year Reports will go out to parents via the @SCHOOL Parent Portal. Paper reports will no longer be sent home with your child. The new report format will show the data that was previously in the Data Booklet so these will also no longer be going home.

The reports will be available on Tuesday 21 July after school; along with a link to book a Conference with the teacher.

Conferences are in the second week (Wednesday 29 July and Thursday 30 July). The Mid-Year Report will focus on Next Steps as we have delayed formal assessments until later in the year. At the Conferences, teachers will be able to provide a “teacher judgement” on progress and achievement, this will be from observations, distance learning work and discussions with students – not from formal assessments.

COVID-19

Who needs to stay away?

Unless directed by the Medical Officer of Health, the only people who need to stay away are those who are:

- Unwell
- Self-isolating (at the request of health authorities)
- Waiting for COVID test results

Everyone else should be at school.

If anyone has symptoms but is unsure if they have been exposed to COVID-19, they should ring Healthline on [0800 358 5453](tel:08003585453) or their GP for advice. Over winter there are many other viruses about that can cause people to feel unwell and have symptoms similar to those of COVID-19.

TEACHER ONLY DAY

FRIDAY AUGUST 21 will be a Teacher Only Day. This is a day provided under the Teachers Collective Contract for teachers to use for Professional Learning. The School will not be open for students on that day.

SCHOOL NOTICES

PRODUCTION

We have made a decision to cancel the 2020 Production. We realise this decision will disappoint students and parents yet we considered carefully the impact of Covid-19 on the School Year and determined it was best to not have a Production this year after the earlier disruption. We are investigating the possibility of a Production in 2021.

ICAS

BBS will again be offering ICAS exams to Year 4, 5 or 6 students who are ready for an academic challenge. The subjects are Digital Technologies, Science, Maths and English and the cost is \$18 per exam. If you would like your child to sit an exam, please email their class teacher to ask if they feel it's appropriate, and/or email me for a copy of the dates etc. Registrations close on Tuesday, 21st July – the first Tuesday of next term.
