

PRINCIPALS MESSAGE

Dear Parents and Caregivers Kia Ora Koutou

It has been a challenging year with Covid – 19 and all the various lockdown levels associated with this but it has been a challenge that the school community have met. The school community, especially our children, have displayed resilience and a positive attitude to all the barriers they have faced in 2020. We spent a few more days at home than expected though we did manage to learn new skills with the Distance Learning. We were also able to participate in outdoor education days, camps, class trips, some sports and fun was had by all at the movie night and disco. It was great to see so many families enjoying the Jingle night – thank you to all the teachers and parents who helped put it all together so we could have a great finale to the year.

ACKNOWLEDGEMENTS

As this is the last newsletter, I would like to acknowledge the three groups in our community: our children, our parents/caregivers and our school staff. The school staff are a team who work hard and put in a great effort to provide our students with the best teaching. They also find time for the extras in the classroom, on the sports field, in the studio, in the office and in the school environment. Our teachers know learning is life-long. They know an education is very important for a successful future. I thank them for that effort and commitment to the students.

The second group in our team are our parents. They are a very active group who support the children with their learning at home and at school. You have participated in Zoom meetings and helped your children with distance learning. You have attended conferences, continued sports coaching and management, helped in the classrooms and supported us at our special events. I have been fortunate to be part of a Board of Trustees, led by Jane Retimana, which has worked as a cohesive team to govern the school exceptionally well. The Board is continually establishing goals that will set Browns Bay School up for a wonderful future. I would also like to single out the FOT's group, led by Christine Wilson, for particular recognition for supporting our school with fundraising and helping with special events.

Finally, I would like to acknowledge all of our students for their attitude and aptitude towards their learning. I have seen their enthusiasm and motivation in the classroom and their politeness and caring nature in the playground. Every day I see examples of

our school values on display through their actions and their wonderful attitude to learning. It is great for all the teachers to see. Keep it up.

Please keep safe over the holidays and we look forward to welcoming the children back for the new school year on Tuesday, 9 February 2021.

YEAR 6 STUDENTS

It is with a touch of sadness, yet with high expectations, that we farewell our Year 6 pupils as they move on to Intermediate School. Many of these pupils have been at Browns Bay School since they started as 5 year olds, some have come to us from other schools and others have come to us from other countries. However, they all have in common the fact that they are Browns Bay School pupils.

We thank all Year 6's for the contribution they have made to our school. We hope that in the future they will look back on their time at Browns Bay School with fondness.

PROPERTY UPDATE

TEMPORARY CLASSROOM

You will have noticed that temporary classrooms are being sited on the school field for the 2021 school year. We understand that this will temporarily restrict the use of a small area of the field in the short term. However, the hard work of our school management and board has allowed us to secure these six temporary classrooms, avoiding the situation faced by many schools having to conduct classes in their school halls and library buildings while their school builds are being completed. We hope you agree with us that this is a good result for all our students in 2021.

ROOMS 18 - 20

When we return in 2021, the four classrooms by the Hall (Rooms 18 – 20) will be gone. We are expecting Rooms 20 – 21 (closest to the Hall) to be demolished while Rooms 18 and 19 are being relocated to the field and added to our "Village on the Field". At the end of the Building project, planned to be completed in 2022, all the classrooms will be removed from the field. The photo below shows the four rooms that are being removed to make way for the new 12 classroom block.

ROOM 1-7 DECK

This is a view of the progress on the deck outside Rooms 1-7. The sound barrier covers are effectively blocking the noise.

My office provides a great window to view the steady progress of the work being done here. The preparation stage is nearly finished with the building work starting very soon. Over the holidays a wooden deck will be built that will run the length of the building. The brick walls will remain. Once the deck is built the two sets of windows will be replaced with sliding doors to enable the covered deck to be used as an outdoor learning space.

The canopy is expected to go up in the Term 1 break.

TEACHER ONLY DAYS 2021

In 2021 all schools are entitled to Teacher Only Days as part of the Teacher's Collective Agreement agreed to with the Ministry of Education. These days mean the school is closed to students and they are not added on at the end of the year. There are six of these days to be utilised by June 2022. The Primary and Intermediate schools in our Kahui Ako Cluster (our Kahui Ako involves Murrays Bay Intermediate), have agreed on the following days next year. These are:

Term 2: June 4 Term 3: Sept 3 Term 4: Oct 26

REPORTING TO PARENTS

The final school reports will be available on the Parent Portal on Friday at 3.15pm. It is recommended that you log onto the Parent Portal prior to this to ensure you can get access. The link is https://www.atschool.co.nz/app/login

I hope you all have a lovely break with family and friends.

ICAS RESULTS

In Term 4 many of our older students challenged themselves academically by taking part in the ICAS Educational Assessments for Schools. Because of Covid-19 they sat the exams later in the year and had to wait for their certificates to be posted out. However, we do have the results and there are a large number of Browns Bay School students who have received a Distinction (in the top 10% of students in their year level in New Zealand) or a High Distinction (in the top 1%). I would like to congratulate the following students for their outstanding achievements:

Very special mention must be made of Sophie Herde for receiving a medal for the ICAS Science exam. Sophie achieved the top score across New Zealand for the exam. This is only the third time we have ever had a medal recipient from Browns Bay School. In non-Covid times the medal would have been awarded to Sophie at a special ceremony at the University along with all of the medal winners across the country. Sophie, we are extremely proud of you and your achievement and we know there will be many more for you. Congratulations!

JINGLE

Yay it went ahead and what a great night! Thank you for all the wonderful performances and great food! A huge thank you to everyone involved in making Jingle such a great night, including the enthusiastic audience! Well done Browns

Bay School.

YEAR 6 RAINBOWS END TRIP

The Year 6 students enjoying their fabulous day out at Rainbows End.

YEAR 1 AND 2 CULTURAL DAY

Year 1 and 2 enjoyed their Cultural Day which involved a yummy shared lunch and a decoration day.

THE STUDIO ACTIVITIES

Room 10 with ribbons.

NETBALL

Covid-19 in 2020 made sport very difficult and saw lots of codes cancelled and seasons cut short. Netball was no exception with no netball being played in Term 2 and only a handful of games taking place in Term 3 - the 2 normal netball terms. Kidzplay was able to carry on into Term 4 so some of our younger girls managed to get a few games under their belt – and finished the season with dress up games. See below some of our Year 4s as Minions, Year 1s as superheroes and our Year 5s who won 4 out 6 games this season! We would like to thank everyone who was involved in netball for their flexibility, patience and support. We would also like to acknowledge all of those parents who coached and managed teams for the school and their children, and especially thank the ex-pupils from Northcross, Long Bay College and Rangitoto College who gave their time to coach teams this year. Without volunteers like this, running a sport with over 12 teams would not be possible. Wishing our Netball community a great break and looking forward to having some netball played in 2021!

BARRY JOHNSTON REGATTA

Arran Begic, Matthew Fleming,
Tehya Harris and Sofia Andrews
represented Browns Bay School at the
Barry Johnston Regatta. Arran and
Matthew won their races and came first
overall individually. Well done boys.
Browns Bay School came second overall
in the relay race and second overall for
the whole regatta.

ROOM 24 TREE PLANTING

The Year 4 team were lucky enough to plant 2 native trees each, a Kowhai and a Totara. Sarah and Ben Sheeran kindly organised the trees and then helped us to plant them. We are hoping to attract native birds and insects to the area behind our rooms. We are also looking forward to caring for our trees and watching them grow while we are at Browns Bay School.

ECO WARRIORS

If you have been around the middle school area in the last couple of weeks, you may have noticed a new vegetable garden outside Room 25! In week 7, our BBS Eco-Warriors (plus a few Year 3 helpers) planted a few small seedlings to grow into tomatoes, capsicums, lettuce and spinach. A big thanks to our local Browns Bay New World for donating the Little Garden seeds as well as the wood to put together the veggie garden itself! Our small team has been watering these plants every day to ensure they grow. If anyone in the Browns Bay School community happen to be around the school over the summer holidays, feel free to give these plants a good watering – they're going to need it over the hot summer months ahead!!

FOTS - Friends of the School

THANKS FOR A GREAT YEAR!

Thank you to the entire school community for supporting us this year. With your help (and an amazing \$7,500 raised at Jingle) we will be donating a revised figure of \$18,000 to Browns Bay School!! This will go a long way towards helping enhance the current property developments taking place at Browns Bay School.

We would like to take this opportunity to wish everyone a safe and restful holiday, and we look forward to seeing you again in the New Year.

A big thank you to our FOTS members for all the time and effort they have given over the year, in particular Christine Wilson, Angela Hutchinson, Michael Corbett, Amy van der Loo, Holly Thomas, Sarah Sheeran, Louise Rich, Camille Smith, Rebecca Gourlay, Siobhan Richards, Jacky Carr and Peter Mulcahy.

JINGLE JINGLE JINGLE

What a great night we had at Jingle. We hope you all enjoyed the entertainment and catching up with other Browns Bay families. Our food stalls once again sold out, and a special thank you must go to our Chinese and Korean families for their generous contributions. Thank you to all the teachers for taking on the Jingle Jar stand again, a mammoth effort. Thanks also to everyone who helped set up and run the stalls.

DRAGON BROTHERS BOOKS

This fundraiser has now closed. Thank you to all families who have purchased these books. We hope you really enjoy them. All ordered books have been distributed to classes this week.

STUDENT ARTWORK CALENDARS & STATIONERY

We are expecting delivery of the 2nd order of calendars & stationery this week.

UNIFORM DONATIONS

Do you have any uniform items that you would like to donate to FOTS? We are now accepting donations at the school office for our second-hand uniform sale, to be held early next year. **WE ARE ON FACEBOOK** For news, photos, updates, and event information, go to: www.facebook.com/Browns-Bay-School-Friends-of-the-School-173302139385925/

COACHING PROGRAMME

Dear Parents,

Playing chess in school helps students achieve many learning outcomes faster and more effectively. Chess enables all students to shine and develop intellectually in a way they really enjoy. Playing chess develops self-confidence, concentration and problem-solving skills.

Put simply, chess makes kids smarter.

We are pleased to continue the Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to your children.

Chess Power has been educating Chess in many schools in Auckland and across New Zealand. Our coaches are all professionally trained and accredited and our support systems are world-class.

WHAT HAPPENS IN A CHESS POWER COACHING PROGRAMME?

- Grow Kids Minds**!!
- Improve concentration and focus
- Ovelop important life skills fair play and decision making
- O Develop Tactical & Strategic thinking
- Prepare for Chess Tournaments against other schools
- O Develop a love of chess, of learning and of thinking
- O Play Chess Online safely and for free

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way.

Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme, we recognise each child with a certificate based on their performance.

CLASS DETAILS

Sessions will be held weekly on Thursdays from 3:10 to 4:10 pm in Music Room starting Thursday 11 February 2021. The last session will be held on Thursday 15 April 2021. This is 10-weeks program.

The fee is \$130 for the term per student.
